About Us

Oteka Technologies was founded in 2016 and has built its reputation on a solid foundation of customer service and quality workmanship. Our management team has over 100 years of industry expertise. Our professional cable installers have the knowledge and experience to ensure that your installation is done with excellence! Oteka's team has successfully completed over 2500 installations with corporate, nonprofit, and government entities. We have a 98% retention rate. We are attentive, responsive, and integrity filled!
